BOOK SYNOPSIS

Juicy Jasmine Larson Bush is at it again -- battling her past in order to save her future. With her own lies, she nearly destroyed her marriage to Pastor Hosea Bush. Why, Jasmine was forced to reveal every secret shed ever kept from her husband, right down to her real age, weight, and shoe size! She thought she had told Hosea everything. But when Jasmine is blackmailed with a terrible truth from her past that she "forgot" to tell Hosea, more than just her marriage is in jeopardy. Surprisingly, her first instinct is to tell the truth. Jasmine knows, however, that this is one part of her life that can never be exposed. Determined to keep the life she fought so hard to save, Jasmine is willing to commit any sin -- even murder -- to leave her past behind her. No one can know the truth about the First Lady of City of Lights at Riverside Church. No one can know that beneath the veneer of a redeemed Christian wife, there lies a sinner -- especially not her trusting husband.
