BOOK SYNOPSIS

This pack consists of the Longman Introductory Course for the TOEFL Test: iBT Student Book and the Audio CDs. The Student Book does not have an Answer Key but does include a CD-ROM. Providing both a comprehensive language skills course and a wealth of practice for all sections of the test, the Longman Introductory Course for the TOEFL® Test: iBT, by Deborah Phillips, gives intermediate students (scores of 450 to 520 on the paper TOEFL® Test or 45 to 70 on the TOEFL® iBT) all the tools they need to begin to prepare for the TOEFL® iBT integrated-skills test. Upon completion of the Introductory Course, students are ready to handle the more advanced material in Longman Preparation Course for the TOEFL® Test: iBT. Note: You must have the Audio CDs (included in this pack) to use the listening material (the Skills Practice, the Mini-Tests, the Complete Tests, and the TOEFL®-level Test) in the textbook. The audio material on the CD-ROM is different from that on the audio CDs. The Student Book features: Updated material for all the new types of passages and questions on the test. Diagnostic pre-tests and post-tests that allow students to identify strengths and weaknesses and assess improvement in each section. Practice sections for the four skills: Reading provides practice exercises in the new test formats, including filling in a table or chart and paraphrasing. Listening provides authentic conversations between two people in an academic setting and academic lectures with new questions about a speaker's attitude or purpose. Speaking includes personal and expository tasks and integrated tasks. Writing consists of expository and integrated tasks: reading/listening/writing. Four mini-tests that preview the tests integrated four-skills format. One complete introductory-level practice test. One TOEFL®-level test. The CD-ROM features: Completely different material from that in the Student Book. Practice sections for all parts of the test, including speaking. Four mini-tests. One complete introductory-level practice test and one TOEFL®-level test. Pop-up explanations for all items on the CD-ROM. Easy-to-use scoring and record-keeping to monitor progress. New "send" feature that allows electronic submission of results, reports, and spoken and written responses.
