BOOK SYNOPSIS

Let McGraw-Hill Education help you excel on the TEAS! Achieving a high score on the TEAS can help you gain admission into the nursing school of your choice. This book provides you with the essential review of core subjects you need to excel on this important exam. Written by a test-prep expert, it covers the fundamental concepts tested on the exam, and each chapter includes numerous review exercises that will increase your test-taking confidence. You'll learn how to sharpen your skills, boost your confidence, reduce your stress—and do your very best on test day. This practical study guide features:

- Completely updated content to match the changes in the recently revised exam
- Thorough coverage of each of the exam's four core subjects: Reading, Math, Science, and English and Language Usage
- 600 review questions to help you measure your progress
- Strategies developed by the author to help you tackle tricky subjects
- An answer key with detailed explanations for every review question
