BOOK SYNOPSIS

Gladys Malvern uses her celebrated talent for prose to share the stories of Henry VIII's wives with immense personality and captivating drama. Henry VIII was married to six women during his reign as the King of England. Gladys Malvern characterizes them as The Saint (Catherine of Aragon); The Egotist (Anne Boleyn); The Diplomat (Jane Seymour); The Housewife (Anne of Cleves); The Coquette (Catherine Howard); and The Mother (Catherine Parr). Malvern masterfully tells each of their personal histories and how they intertwined through rivalry, vying for power, political maneuvering, and the hardships of losing favor with the man that seceded the Church of England from Rome for a divorce.
