BOOK SYNOPSIS

In New York Times bestselling author Emma Chase's sizzling and hilarious debut novel, Drew Evans—gorgeous, arrogant, irreverent, and irresistibly charming—meets his match in new colleague Kate Brooks. Drew Evans is handsome and arrogant, he makes multimillion dollar business deals and seduces New York's most beautiful women with just a smile. So why has he been shuttered in his apartment for seven days, miserable and depressed? He'll tell you he has the flu. But we all know that's not really true. Katherine Brooks is brilliant, beautiful and ambitious. When Kate is hired as the new associate at Drew's father's investment banking firm, every aspect of the dashing playboy's life is thrown into a tailspin. The professional competition she brings is unnerving, his attraction to her is distracting, his failure to entice her into his bed is exasperating. Tangled is not your mother's romance novel. It is an outrageous, passionate, witty narrative about a man who knows a lot about women...just not as much as he thinks. As he tells his story, Drew learns the one thing he never wanted in life, is the only thing he can't live without.
