BOOK SYNOPSIS

Groundbreaking look at slaves as commodities through every phase of life, from birth to death and beyond, in early America In life and in death, slaves were commodities, their monetary value assigned based on their age, gender, health, and the demands of the market. *The Price for Their Pound of Flesh* is the first book to explore the economic value of enslaved people through every phase of their lives--including preconception, infancy, childhood, adolescence, adulthood, the senior years, and death--in the early American domestic slave trade. Covering the full "life cycle," historian Daina Ramey Berry shows the lengths to which enslavers would go to maximize profits and protect their investments. Illuminating "ghost values" or the prices placed on dead enslaved people, Berry explores the little-known domestic cadaver trade and traces the illicit sales of dead bodies to medical schools. This book is the culmination of more than ten years of Berrys exhaustive research on enslaved values, drawing on data unearthed from sources such as slave-trading records, insurance policies, cemetery records, and life insurance policies. Writing with sensitivity and depth, she resurrects the voices of the enslaved and provides a rare window into enslaved peoples experiences and thoughts, revealing how enslaved people recalled and responded to being appraised, bartered, and sold throughout the course of their lives. Reaching out from these pages, they compel the reader to bear witness to their stories, to see them as human beings, not merely commodities. A profoundly humane look at an inhumane institution, *The Price for Their Pound of Flesh* will have a major impact how we think about slavery, reparations, capitalism, nineteenth-century medical education, and the value of life and death.

THE PRICE FOR THEIR POUND OF FLESH THE VALUE OF THE ENSLAVED FROM WOMB TO GRAVE IN THE BUILDING OF A NATION - Are you looking for Ebook *The Price For Their Pound Of Flesh The Value Of The Enslaved From Womb To Grave In The Building Of A Nation*? You will be glad to know that right now *The Price For Their Pound Of Flesh The Value Of The Enslaved From Womb To Grave In The Building Of A Nation* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Price For Their Pound Of Flesh The Value Of The Enslaved From Womb To Grave In The Building Of A Nation* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Price For Their Pound Of Flesh The Value Of The Enslaved From Womb To Grave In The Building Of A Nation* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Price For Their Pound Of Flesh The Value Of The Enslaved From Womb To Grave In The Building Of A Nation*. To get started finding *The Price For Their Pound Of Flesh The Value Of The Enslaved From Womb To Grave In The Building Of A Nation*, you are right to find our website which has a comprehensive collection of manuals listed.
